

Sunnyside Apartments Vacating/Move Out Procedure

Residents moving out of Sunnyside Apartments must submit an [Intent to Vacate form](#) to the Main Office at least thirty (30) days before they vacate the apartment. Notices received on non-business days or after 4:30 PM will be considered received the next business day. Forms can be emailed to info@apartments.utah.edu. Single graduate housing residents may have an [early termination fee](#) charged to their account if terminating the lease early.

Residents transferring apartments within Sunnyside Apartments should not submit an Intent to Vacate notice.

Pre-Move Out Inventory – Within seven (7) business days after the Intent to Vacate notice is received (*or a Transfer Assignment is accepted*) Maintenance personnel will enter the apartment and perform a Pre-Move Out Inventory. The Pre-Move Out Inventory takes only a few minutes and does not require residents' presence. Maintenance will only be checking for any large repair/replacement items (i.e., cabinets, countertops, tub/shower, carpet. etc.) not for the general cleanliness of the apartment.

Move Out Inspection – The apartment must be thoroughly cleaned and all belongings removed by midnight on the move out date. The Move Out Inspection will determine any cleaning or damage charges and usually occurs on the next business day following the move out date. In graduate housing, all common areas of shared apartments must be clean and in good repair.
